

Your age: 19 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 19 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

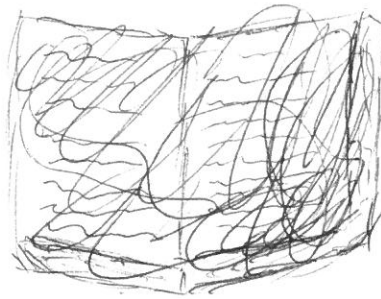

A circle is representative of unity, fullness, wholeness. Kind of reminds me of Buddhism, which is peaceful to me

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

No.

Your age: 19 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

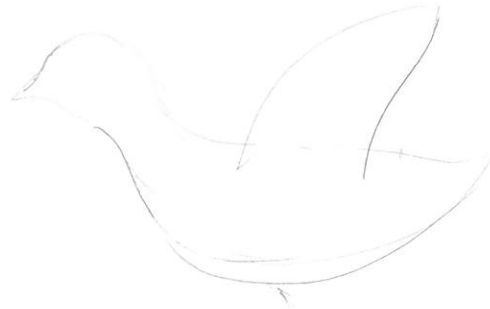

Why did you draw your shape the way you did?

~~Because~~
I like to read...

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: Female

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

It looks like a dove, the symbol of peace

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

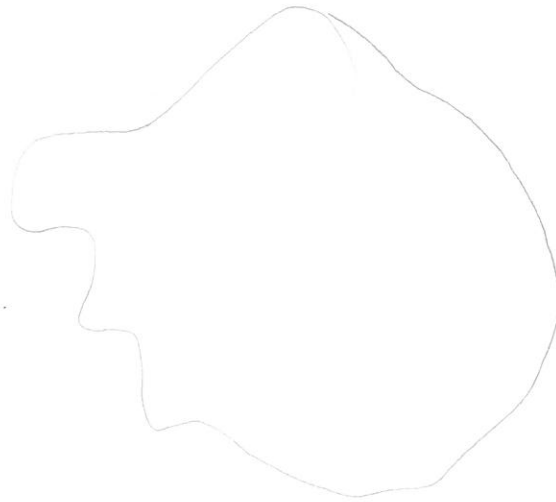

Why did you draw your shape the way you did?

It's long, flat, and rounded, which gives it the impression of being relaxed and soft, maybe like a cloud or a still pond.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 19 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

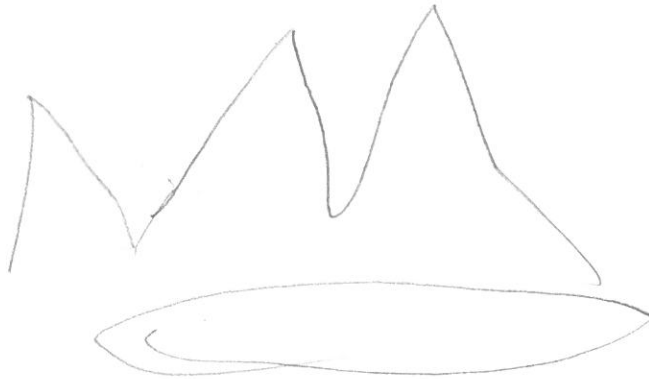

Why did you draw your shape the way you did?

It is peaceful because there are no sharp lines - it is fluid. Also, it looks like a wing and birds are peaceful.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 21 Your gender: male

Below, **draw an abstract shape** that is **Peaceful**:

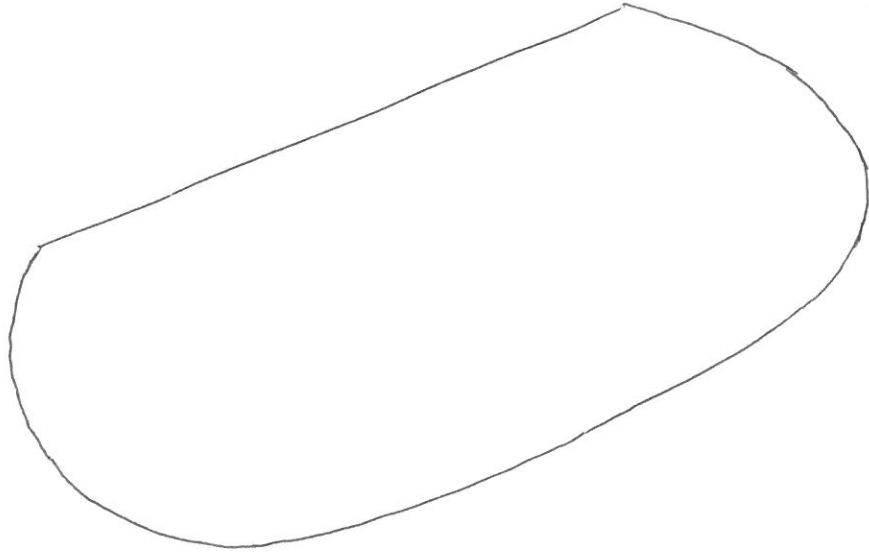

Why did you draw your shape the way you did?

Mountains w/ the beach!! ☺

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 19 Your gender: Male

Below, **draw an abstract shape that is Peaceful:**

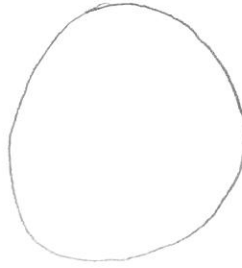

Why did you draw your shape the way you did?

It has mostly smooth lines but ^{still} maintains
a pretty ~~into~~ random shape.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape
correspondence experiments? Circle **yes** or **no**.

Your age: 14 Your gender: M

Below, draw an abstract shape that is **Peaceful**:

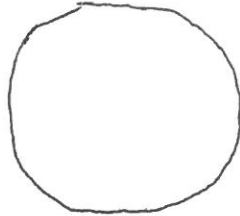

Why did you draw your shape the way you did?

A circle has no edges and just seems peaceful

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: Male

Below, **draw an abstract shape** that is **Peaceful**:

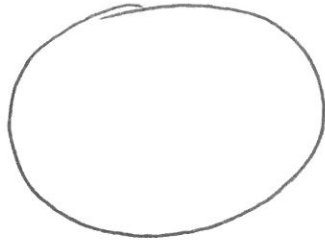

Why did you draw your shape the way you did?

circles are peaceful

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**

Your age: 19 Your gender: male

Below, **draw an abstract shape** that is **Peaceful**:

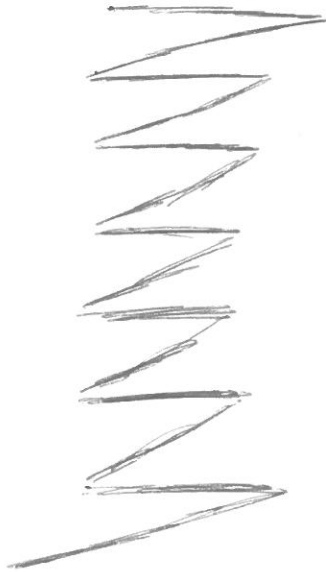

Why did you draw your shape the way you did?

circles have no edges or points which makes me feel more comfortable. I also like looking at the moon

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: female

Below, draw an abstract shape that is **Peaceful**:

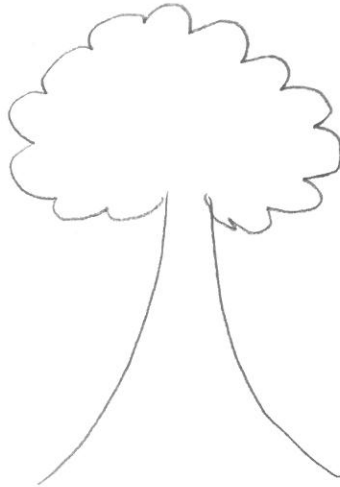

Why did you draw your shape the way you did?

things that are repetitive tend to relax
me

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

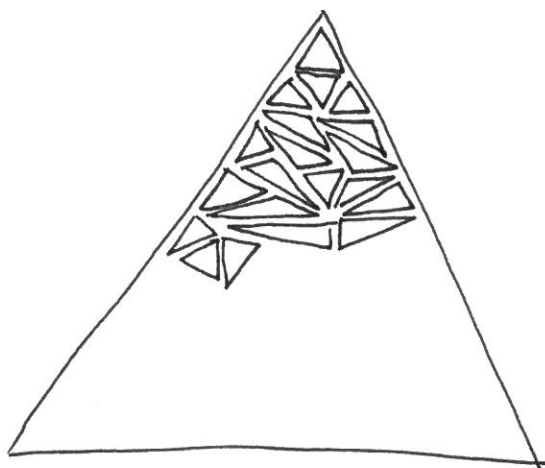

Why did you draw your shape the way you did?

I draw a tree which reminds me
of nature which brings me
serenity and mindfulness.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape
correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: male

Below, draw an abstract shape that is **Peaceful**:

Why did you draw your shape the way you did?

I don't know

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no.**

Your age: 18 Your gender: Female

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

ocean waves are peaceful
ocean seems calm & relaxing

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

no

Your age: 18 Your gender: female

Below, **draw an abstract shape** that is **Peaceful**:

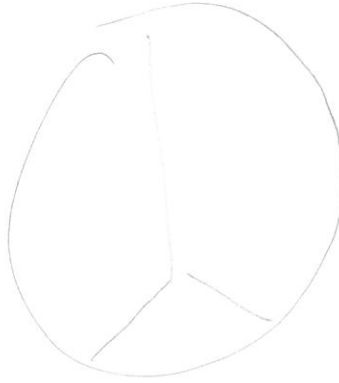

Why did you draw your shape the way you did?

the beach is very peaceful to me, so I drew waves. Additionally, a simple one line drawing seems simple

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 20 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

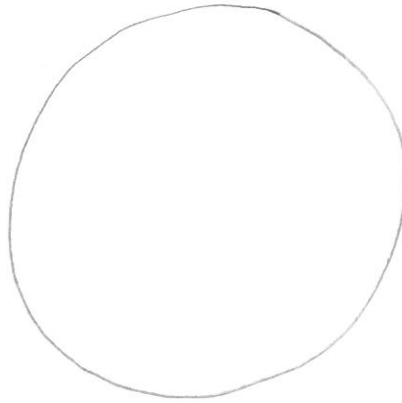

Why did you draw your shape the way you did?

It represents peace to me and
it is not a shape that exists
naturally (concrete).

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

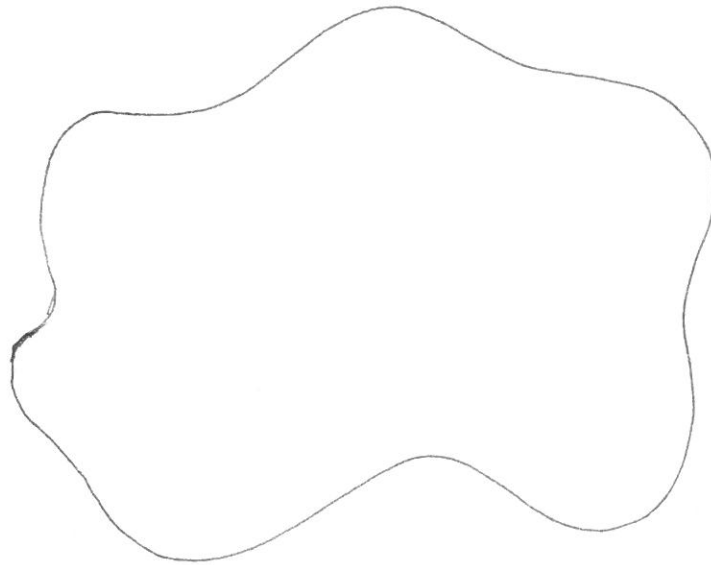

Why did you draw your shape the way you did?

It is smooth and continuous. No breaks - always remains intact.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 17 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

I included smooth edges and connected my shape fully because it felt fluid and fit together in a "peaceful" manner.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

No hard edges

Continuous

Blurred

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 20 Your gender: F

Below, draw an abstract shape that is **Peaceful**:

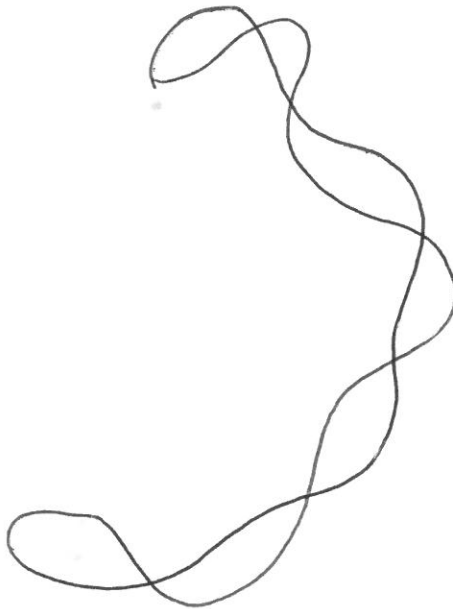

Why did you draw your shape the way you did?

because it is rounded and "flowy"
and because the 1st shape looks
aggressive so I rethought about what I
meant to draw!

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 17 Your gender: F

Below, draw an abstract shape that is **Peaceful**:

Why did you draw your shape the way you did?

reminded me of water rippling
curved lines look more peaceful to me
than sharp lines

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 20 Your gender: Female

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

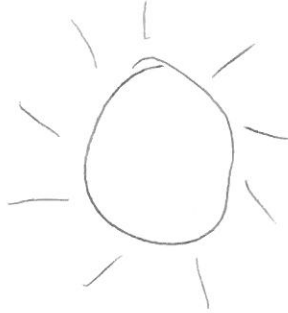

It is simple, orderly, and even. From one point inside or if you can see all other points.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

NO

Your age: 18 Your gender: male

Below, **draw an abstract shape** that is **Peaceful**:

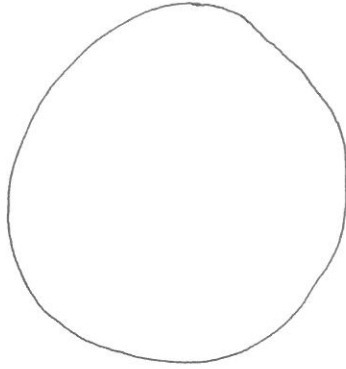

Why did you draw your shape the way you did?

*It reminds me of peaceful
and relaxing days.*

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

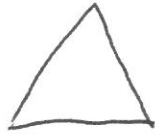

Why did you draw your shape the way you did?

Looking at a simple circle gives me peace because I feel like there are no complications.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: Female

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

- equal
- simple
- relaxing

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no.**

Your age: 22 Your gender: Male

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

I drew the shape that I did because every cloud is extremely different and when the sun is out with some beautiful clouds it is extremely relaxful

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: Male

Below, **draw an abstract shape** that is **Peaceful**:

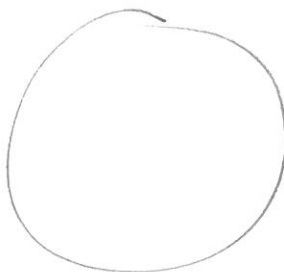

Why did you draw your shape the way you did?

I used smooth lines and a circle because
I wanted to.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape
correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

it's peaceful

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no.**

Your age: 19 Your gender: female

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

it seems calm I think soft
curves are most peaceful lines
white abstract, it reminds me of
river, waves, soft hills or some
other type of calm nature
shapes.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape
correspondence experiments? Circle **yes** or **no**.

Your age: 21 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

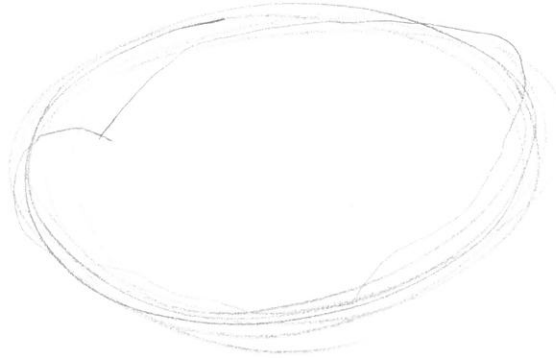

Why did you draw your shape the way you did?

The moon is peaceful because it comes out at night and is usually a quiet time.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: M

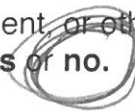

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

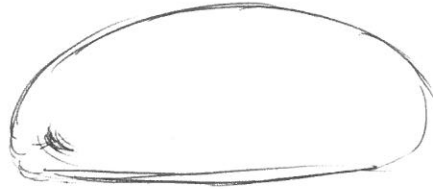

It is soft & has no rough
edges or points

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape
correspondence experiments? Circle **yes** or **no**.

Your age: 19 Your gender: Female

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

round, slack, relaxed \Rightarrow no tension,
at peace, at will to gravity

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 18 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

an open circle → eternal + inclusive
curvy → not rigid lines

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no.**

Your age: 33 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

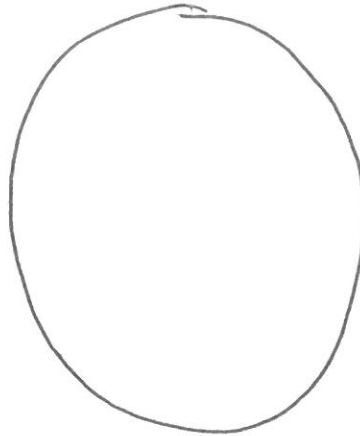

Why did you draw your shape the way you did?

It was the only thing that came to mind

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 26 Your gender: F

Below, **draw an abstract shape** that is **Peaceful**:

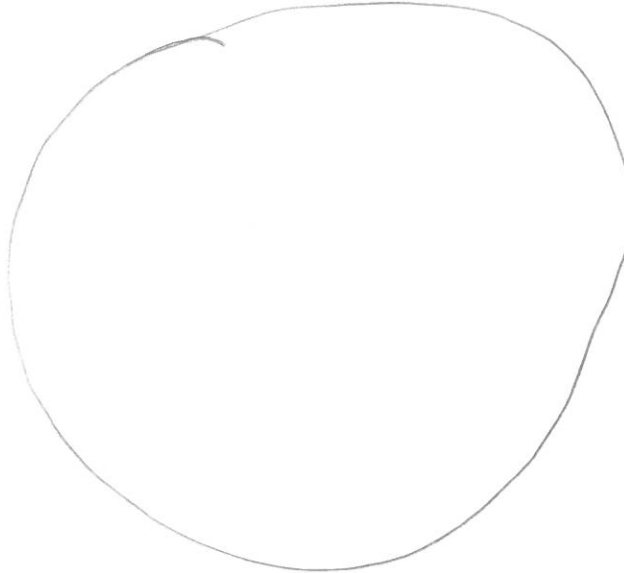

Why did you draw your shape the way you did?

- no sharp edges
 - very smooth
- } peaceful characteristics

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 22 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

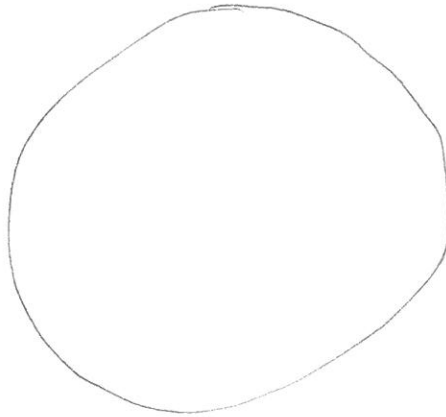

Why did you draw your shape the way you did?

As Shaped

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 26 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

B/c it is peaceful

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 20 Your gender: Female

Below, draw an abstract shape that is **Peaceful**:

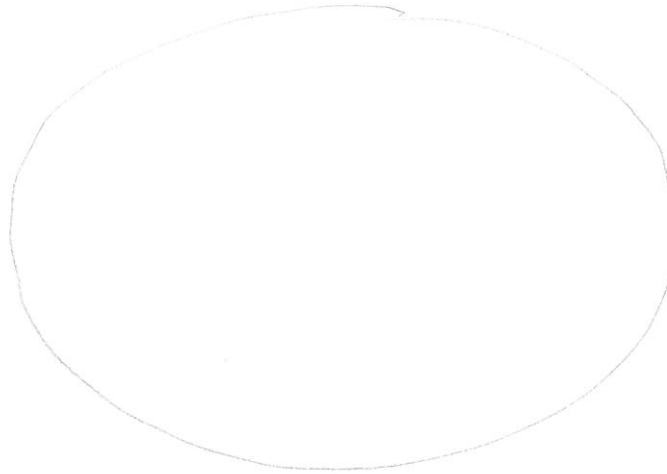

Why did you draw your shape the way you did?

These are just horizontal lines.
They appear to be undisturbed,
and therefore peaceful in some sense.

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape correspondence experiments? Circle **yes** or **no**.

Your age: 22 Your gender: M

Below, **draw an abstract shape** that is **Peaceful**:

Why did you draw your shape the way you did?

Circles are peaceful. No edges,
No sharp corners, They are constant.
They flow, They are whole. They
bring things together. Circles are Peaceful

Do you know about Wolfgang Köhler's Bouba-Kiki experiment, or other sound-shape
correspondence experiments? Circle **yes** or **no**.
